

Only Man She Want

Popcaan

[Intro]

She have her man but
Popcaan a the only man she want
the only man she want, yeah
She no care if she a him fight
or if him drive me car a the stop light
Me a the only man she want
the only man she want yeah

[Verse 1]

Her man say she very special
yeah, very special
the gal a try I me nah lie
war upon the front line, nah lie
he may buy her the world and the star
cha, the house and the car
still she she waan gi me di thing
inna the restroom a di bar, ey
She willing fi wine pon the pole
willing fi gi me any weh pon the toll
All when him a search her phone
a Popcaan a every ring tone
Him fuss her and call her whore
same friend said the relationship poor
As him talk and turn him back
she a link up over Portmore

[Chorus]

Him tell her fi stop say him a go chop
Say him a go shoot, say him a go shot
Popcaan a the only man she want
the only man she want yeah
Him tell her she cheap, say him a go cheat
Say she a go weep say him a go beat
but me a the only man she want,
the only man she want yeah

[Verse 2]

say she love how the platter pay her loot

cut off foot jeans me no haffi wear suit
her man is wealthy me no haffi use loot
tell her enough times she tell me we no fi use (shhhh)
The gal a fight fi me like American troops
She have me real bad, chargi she have me loose
Don't care if he lef her with cut up and bruise
A Poppi a the man weh she choose

[Chorus]

Him tell her fi stop say him a go chop
Say him a go shoot, say him a go shot
Popcaan a the only man she want
the only man she want yeah
Him tell her she cheap, say him a go cheat
Say she a go weep say him a go beat
but me a the only man she want,
the only man she want yeah

[Chorus]

Him tell her fi stop say him a go chop
Say him a go shoot, say him a go shot
Popcaan a the only man she want
the only man she want yeah
Him tell her she cheap, say him a go cheat
Say she a go weep say him a go beat
but me a the only man she want,
the only man she want yeah

[Verse 1]

Her man say she very special
yeah, very special
the gal a try I me nah lie
war upon the front line, nah lie
he may buy her the world and the star
cha, the house and the car
still she she waan gi me di thing
inna the restroom a di bar, ey
She willing fi wine pon the pole
willing fi gi me any weh pon the toll
All when him a search her phone
a Popcaan a every ring tone
Him fuss her and call her whore
same friend said the relationship poor
As him talk and turn him back

she a link up over Portmore

[Chorus]

Him tell her fi stop say him a go chop

Say him a go shoot, say him a go shot

Popcaan a the only man she want

the only man she want yeah

Him tell her she cheap, say him a go cheat

Say she a go weep say him a go beat

but me a the only man she want,

the only man she want yeah
