

Rock Classics (Deep Cuts 09)

The Knife

I'm coming over but I won't be long
I'm coming over
I'm making a new song I pick a car and it's a fifteen minutes drive
Rock Classics on the radio
To clear my mind Sometimes in the weekends
We meet up at our favorite caf  
I'll order a chai tea
And you will have the usual au lait And when the place gets crowded
Then they freak out
And they play the music louder
