

Candy Girl

The Four Seasons

I've been a-searchin' all this wide world
Now finally I've found my Candy girl
Candy girl I found me a girl
(Candy girl)
She sets my heart a-whirl
(Candy girl)
With huggin' and kissin' and lovin'
(Huggin', kissin')(She's mine)
Mine
(Mine)
Mine
Whoa oh oh
(Candy girl) We get along so well
(Candy girl)
I know just why I fell
(Candy girl)
She's thrillin', oh, chillin'
(Thrillin', chillin')
Yes, she's so divine (She's mine)
Mine
(Mine)
Mine
Whoa oh oh
(Candy girl) When we're out together
Everyone knows the way we feel
We both seem to glow with the glow of a love
And it's plain to see, our love is real I'm happy as can be
(Candy girl)
She vows eternally
(Candy girl)
To hold me and love me
(Hold me, love me)
Until the end of time (She's mine)
Mine
(Mine)
Mine
Whoa oh oh Candy girl
Candy girl
Candy girl
