Without Love

Tinted Windows

Without love
You got nothing to live for, nothing to give
Without love
You got nothing to wish for, nothing to getWithout love the days are so long
Without love
You could never go
On and on and on on and on come on
On and on and on on and on come onWithout love
You got nothing to shoot for, nothing to prove
Without love
You got nothing to work for, nothing to loseWithout love everything is all wrong
Without love
You could never go
On and on and on on and on come on
Oh and on and on on and on come onYou don't know what you're in for
Once it gets its hands on you
You know you're through
Whatever you're looking for
It's gonna have its way with you
You know it's trueWithout love
You don't know what you want, you don't know what you need
Without love
You got nowhere to go, you got nowhere to be
Without love
You got nothing to get, you got nothing to give
Without love
You got nothing to live for, cause that's all there isWithout love
The nights are so long
Without love
You could never go
On and on and on on and on come on
On and on and on on and on come on
On and on and on on and on come on
On and on and on on and on come on
