

Elevate

System F

Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate it till we flyin'
Mo-move your feet until you levitate,
Come let's elevate
(James)
Forget about your day
Under the Milky Way
I know a place where we can go, oh oh.
(Logan)

No need to be afraid
Come on i'll demonstrate
Take you to outer space
Here we go, Here we go.
Woah oh, woah oh.
Woah oh, woah oh.
If you want to partay,
Woah oh, woah oh.
Woah oh, woah oh.
I know you're down
Woah oh, woah oh.
Woah oh, woah oh.
If you wanna partay,
If you wanna partay,

(CHORUS)

Elevate a little higher
Let's throw a party in the sky and celebrate
Elevate it till we flyin'
Mo-move your feet until you levitate,
Come let's elevate
Elevate,
Elevate.
(Carlos)
We're floatin' in the air
Look at the view from here
Show you a world you never seen before
(Kendall)
We're dancin' in the stars
No matter where we are

You better buckle up
Here we go, here we go

Woah oh, woah oh.
Woah oh, woah oh.

If you want to partay,

Woah oh, woah oh.

Woah oh, woah oh.

I know you're down

Woah oh, woah oh.

Woah oh, woah oh.

If you wanna partay,

If you wanna partay,

(CHORUS)

Elevate a little higher

Let's throw a party in the sky and celebrate

Elevate it till we flyin'

Mo-move your feet until you levitate,

Come let's elevate

Elevaaaa-aaa-aaate,

Elevaaaaa-aaaa-aaate.

Don't even hesitate

Just let it escalate

I wanna see you go

Whoaohoh, whoaoh oh oh, woah

Break through the ceiling now

It's time to hit the clouds

And no, we ain't coming down

Whoa, whoa

Whoa, whoa (hoo woahoh oh woah oh oh oooh)

Whoa, whoa (oh, woo oh, ohh woah oh)

Whoa, whoa

Elevate a little higher

Let's throw a party in the sky

And celebrate

Elevate until we're flying

Move, move you're feet

Until you levitate

Come on let's elevate

Elevaaaaa-aaaaa-aate

Elevaaaa-aaa-aaaate

Elevaaaa-aaa-aaaate

Elevate.
