Comatose

Transcendental Existence

Let's Keep going 'til we're comatose
Oh oh oh
Let's Keep going 'til we're comatose
Give it to me 'til I, I can't take no more
Give it to me 'til the lights, they go out
and we are shoutin'
Oh oh oh
Let's Keep going 'til we're comatose
Oh oh oh
Let's Keep going 'til we're comatose
I got a crush onn ya
Maybe tonght I'll put the rush on ya
Atracted when I got a touch of ya
Think you could handle me
And all the fun I bring
It must be destiny
Why else would I be feeling so horny
That's why you're here in front of me (of me)
Let's get it in 'til the morning (oh oh)
Give it to me 'til I, I can't take no more
Give it to me 'til the lights, they go out
and we are shoutin'
Oh oh oh
Let's Keep going 'til we're comatose

Oh oh oh
Let's Keep going 'til we're comatose
You feel the tremblin'
That;s my body saying I'm ready
A little forward, [????]
Clock is tickin and I don't wanna waste no time
Hold Me
Once you feel it flooded
Go Slowly
Two pieces of a puzzel
You know me
The prefect fit I I I
Ready for you
Give it to me 'til I, I can't take no more

Give it to me 'til the lights, they go out
and we are shoutin'
Oh oh oh
Let's Keep going 'til we're comatose
Oh oh oh
Let's Keep going 'til we're comatose
Let's keep going
Give it to me
I can't wait
