Needed Time

Eric Bibb

Right now is the needed time, is the needed time, now is the neeeeedeed time
Woo right now is the needed time, right now in the needed timeI'm down on my bended knees, I'm on my knees, praaayin' want you come back, come back here?
Yes I'm down on my bended knees, prayiiin want you come back, come back hereSinging Right now is the needed time, right now
Wooo Right now is the neeeded time, now is the neeeeded timeEven if you don't stay long, oh my Jesus, If you don't stay long, I'm prayiiin, Come back here
Oh Jesus, If you don't stay long, I'm prayiiin want you come back, come back hereSinging right now is the needed time, I know you feel the needed time right now
Oh right now is the needed time, Right now is the needed time,
Oh, oh, bless us!
