

Juicy Fruit

The Dino Martinis

Yeah
(I like it, ooh...ho...)
(I like it, ooh...ho...)
I need it, I need it
Oh, girl You know very well
What you are
Youre my sugar thing
My chocolate star Ive had a few
But not that many
But youre the only love
That gives me good and plenty Juicy fruit (Juicy)
Juicy (Yeah...eah...eah...hey...)
Juicy fruit (Juicy)
Juicy Candy rain
Comin down
Taste you in my mind
And spread you all around Here I am
Oh, this loves for you
Hey, baby
Sweet as honey dew Close my eyes
Oh, what fantasy
And youre right here with me
Juicy Cherry blossom kiss
What youre givin
Makes my body rock
Keeps me sizzlin Do what you want
I dont care
Ill be your lollipop
[You can lick me everywhere] Juicy fruit (Youre so)
Juicy (Juicy)
Juicy fruit (Yeah...hey...hey...hey...hey...)
Juicy Here I am
This loves for you
Hey, baby
Youre sweet as honey dew [Dew] Close my eyes
Oh, what fantasy
And youre right here with me
Yeah, yeah, yeah, yeah Juicy fruit
Juicy Juicy fruit (Juicy)

Juicy (I like it, I like it)
Juicy fruit (In the morning, oh, babe)
Juicy (Oh...oh...)Juicy fruit (Candy rain comin down)
Juicy (Turns me all around)
Juicy fruit (I like it, I like it)
