# Wreck You

## Heidi Newfield

I get dressed in the dark each day
You used to think that was so sweet
By 6:15 I'm in the car drivin?
I keep my change in the car ashtray
I haven't smoked in years and years
But lately at night I?ve been cravin?
I don't know how to pull you back
I don't know how to pull you close
All I know is how to wreck you
Somethin? between us changed
I'm not sure if it?s you or me
But lately all I do seems to wreck you
Every now and then after work
I don't go straight home
I might sit out by the lake and wonder
Well, I can almost see the face
Of a little blue eyed girl
And the boy who thought he knew
Everything about her
I don't know how to pull you back

I don't know how to pull you close
All I know is how to wreck you
Something between us changed
I'm not sure if it?s you or me
But lately all I do seems to wreck you
I don't know what the hell you want from me
Is there somethin? or someone I can be
One of these nights should I keep on drivin?
Drivin?
'Cause I don't know how to pull you back
I don't know how to pull you close
All I know is how to wreck you
Somethin? between us changed
I'm not sure if it?s you or me
But lately all I do seems to wreck you
Lately all I do seems to wreck you
Lately all I do seems to wreck you
Wreck you

I get dressed in the dark each day
