

# Wolf In Sheep's Clothing (feat. William Beckett)

## Set It Off

Beware, beware, be skeptical  
Of their smiles, their smiles of plated gold  
Deceit so natural  
But a wolf in sheep's clothing is more than a warningBaa baa black sheep, have you any soul?  
No sir, by the way, what the hell are morals?  
Jack be nimble, Jack be quick  
Jill's a little whore and her alibis are turning tricksSo could you  
Tell me how you're sleeping easy  
How you're only thinking of yourself  
Show me how you justify  
Telling all your lies like second nature  
Listen, mark my words, one day  
You will pay, you will pay  
Karma's gonna come collect your debtAware, aware, you stalk your prey  
With criminal mentality  
You sink your teeth into the people you depend on  
Infecting everyone, you're quite the problemFee fi fo fum, better run and hide  
I smell the blood of a petty little coward  
Jack be lethal, Jack be slick  
Jill will leave you lonely, dying in a filthy ditchSo could you  
Tell me how you're sleeping easy  
How you're only thinking of yourself  
Show me how you justify  
Telling all your lies like second nature  
Listen, mark my words, one day  
You will pay, you will pay  
Karma's gonna come collect your debtMaybe you'll change  
Abandon all your wicked ways  
Make amends and start anew again  
Maybe you'll see  
All the wrongs you did to me  
And start all over, start all over againWho am I kidding?  
Now let's not get overzealous here  
You've always been a huge piece of shit  
If I could kill you I would  
But it's frowned upon in all fifty states  
Having said that, burn in hellHa Ha Ha  
OH OH OHSo could you  
Tell me how you're sleeping easy

How you're only thinking of yourself  
Show me how you justify  
Telling all your lies like second nature  
Listen, mark my words, one day  
You will pay, you will pay  
Karma's gonna come collect your debt  
Karma's gonna come collect your debt  
Karma's gonna come collect your debt
