Isolation

Glenn Hughes

In this world it's so hard to make a plan
Every time now you know I understand
There's no way I would go there on my own
Such a place I refuse to be aloneDon't live in isolation
Don't live in isolation
Don't live in isolation
'Cause it's not good for meI'm in grace and I never will regret
I won't fall and I hope I don't forget
Won't you stay? I will occupy your mind
Night and day it's my life I have designedDon't live in isolation
Don't live in isolation
Don't live in isolation
'Cause it's not good for meDon't want to live there anymore
You'll never find me on the shore, shoreDon't live in isolation
Don't live in isolation
Don't live in isolation
'Cause it's not good it's not goodDon't live in isolation
Don't live in isolation
Don't live in isolation
'Cause it's not good for me
It's not good for meOh oh
I don't live there no more, ooh
Oh no more, no more
I don't live there no more, oh
I don't live there no more, oh oh no no
I don't live there no more, oh
