June In January

Leo Robin

A clouded moon
Creeps across the clouded sky
Winds of January sigh and moanAnd yet it's June
I can see a sky of blue
Dear the miracle is due to you, just youIt's June in January
Because I'm in loveIt always is spring in my heart
With you in my armsThe snow is just white blossoms
That fall from above
And here is the reason, my dear
Your magical charmsThe night is cold
The trees are bare
But I can feel
The scent of roses in the airIt's June in January
Because I'm in love
But only because I'm in love with youOh, the night is cold
Won't it be to bear?
But I can feel
The scent of roses in the airIt's June in January
Because I'm in love
But only because I'm in love with you
