

June In January

Leo Robin

A clouded moon
Creeps across the clouded sky
Winds of January sigh and moan
And yet it's June
I can see a sky of blue
Dear the miracle is due to you, just you
It's June in January
Because I'm in love
It always is spring in my heart
With you in my arms
The snow is just white blossoms
That fall from above
And here is the reason, my dear
Your magical charms
The night is cold
The trees are bare
But I can feel
The scent of roses in the air
It's June in January
Because I'm in love
But only because I'm in love with you
Oh, the night is cold
Won't it be to bear?
But I can feel
The scent of roses in the air
It's June in January
Because I'm in love
But only because I'm in love with you
