

# I Believe In You

[Bethany Dillon](#)

When there's nothin' to believe in, I believe in you  
Forget the past and let my hand in yours, be the proof  
Though the strong could be my company, you're the one I choose  
So remember, I believe in you  
I know it feels like every eye is watching you  
Waiting for you to fall, expecting you to lose  
But I see victory, so all you have to do  
Is remember, I believe in you  
I believe, even when I see you cryin'  
I believe, let me dream for you  
When nothin' comes from tryin'  
Oh, remember, I believe in you  
There will come a day when love will lift you out of here  
There will come a day when love will bring the truth  
There will come a day when love will free you from your fear  
And you'll remember, I believe in you  
I believe, even when I see you cryin'  
I believe, let me dream for you  
When nothin' comes from tryin'  
Oh, remember, I believe in you  
I believe  
(Even when I see you cryin')  
I believe  
(Let me dream for you)  
I believe  
(When nothin' comes from tryin', tryin')  
I believe  
I believe, even when I see you cryin'  
I believe, let me dream for you  
When nothin' comes from tryin'  
Oh, remember  
I believe, even when I see you cryin'  
I believe, let me dream for you  
When nothin' comes from tryin'  
Oh, remember, I believe in you, I believe in you
