Great Southern Land

Icehouse

Standing at the limit of an endless ocean
Stranded like a runaway, lost at sea
City on a rainy day, down in the harbor
Watching as the gray clouds shadow the bayLooking everywhere 'cause I had to find you
This is not the way that I remember it here
Anyone will tell you, it's a prisoner island
Hidden in the summer for a million yearsGreat southern land
Burned you blackSo you look into the land and it will tell you a story
Story 'bout a journey ended long ago
If you listen to the motion of the wind in the mountains
Maybe you can hear them talking like I do
"They're gonna betray you, they're gonna forget you
Are you gonna let them take you over that way"Great southern land, great southern land
You walk alone like a primitive man
And they make it work with sticks and bones
See their hungry eyes, it's a hungry homeI hear the sound of the stranger's voices
I see their hungry eyes, their hungry eyes
Great southern land, great southern land
They burned you black, black against the groundStanding at the limit of an endless ocean
Stranded like a runaway, lost at sea
City on a rainy day, down in the harbor
Watching as the gray clouds shadow the bayLooking everywhere 'cause I had to find you
This is not the way that I remember it here
Anyone will tell you, it's a prisoner island
Hidden in the summer for a million yearsGreat southern land, in the sleeping sun
You walk alone with the ghost of time
They then burned you black, black against the ground
And they make it work with rocks and sandI hear the sound of the stranger's voices
I see their hungry eyes, their hungry eyes
Great southern land, great southern land
You walk alone, like a primitive manYou walk alone with the ghost of time
And they burned you black
Yeah, they burned you black
Great southern land
Great southern land
Great southern land
Great southern land
