

# All I Want (Manila Killa Remix)

## Dawn Golden

Your eyes, they did flutter again  
And my mouth it did hang wide  
When you told me 'every little thing is going to be alright'  
But we were younger then,  
And now we're not  
And if there was a plan made  
Then we forgot about it  
And if there was time  
I could figure it out now

But life is short and i don't care for most of it.Because you're all that i want.Well i know i'm hard to take  
And my bones are calling out your name  
While i beat your cold windows  
Break the locks on the gate  
while i try to forget i used to be something greatBecause you're all that i want.
