

One Reason (Flex) [feat. Eric Bellinger]

Wale

Oh, oh, oh

This gon' be your favorite song Ain't that Lisa with the C-cups?

Know I seen that chick before

Yeah that Lisa with them double D's up

No I ain't hittin' that bitch no more

Now ain't that shawty who got to the money

When Dr. Miami switched that up

Wait hold up, let me check my phone

Yep that's her, she still in love A nigga left to the right, do right, like right

They know it's up

Look at shawty tryna hide, but no, I saw her

Just give me one...

Give me one, give me one

Give me one, one reason baby

I'll flex on you

Give me one, one, give me one

Give me one, one, give me one

Give me one, one reason baby, I'll...

Give me one reason, I'mma flex on you

Flex, flex, flex, flex, flex, flex, flex, flex

Give me one reason, I'mma flex on you

Flex, flex, flex, flex

Dang, my new bitch look better than my ex girl

Flex, flex, flex, flex, flex, flex, flex, flex

Give me one reason, I'mma flex on you

Ayy, my new bitch look better than my ex

You supposed to ride with that nigga, right with that nigga

Hand on the Bible, empower that nigga

Smile at that nigga, crash with that nigga

Movie be dumb as hell so you laugh with a nigga

Cry with that nigga, apply all your effort

You can be mad at times but in time just forgive 'em

Be there for a nigga, you can shine with a nigga

America can be so fuckin' hard for a nigga To the left, to the left, right over there

They know it's up

A new nigga got a hand tryna flex, but can't pay the tabs

Just give me one... Give me one, give me one

Give me one, one reason baby

I'll flex on you

Give me one, one, give me one
Give me one, one, give me one
Give me one, one reason baby, I'll...
Give me one reason, I'mma flex on you
Flex, flex, flex, flex, flex, flex, flex, flex
Give me one reason, I'mma flex on you
Flex, flex, flex, flex
Dang, my new bitch look better than my ex girl
Flex, flex, flex, flex, flex, flex, flex, flex
Give me one reason, I'mma flex on you
Ayy, my new bitch look better than my ex
Give me one, give me one
Give me one, one reason baby
I'll flex on you
Give me one, one, give me one
Give me one, one, give me one
Give me one, one reason baby, I'll...
Just give me one reason, I'mma flex on you Flex, flex
Give me one reason I'mma flex on you
Flex on you
