In a Moment

No Fun At All

This is a place where everything is green and bright
In a mo-mo-mo-mo-moment
If you stay a little while, you'll see I'm right
In a mo-mo-mo-mo-moment, yeahYou'd better start your meditation
Ooh, if you gonna fly
You'd better start your meditation
Ooh, if you gonna fly into the lightThis is a place where everyone is on your side
In a mo-mo-mo-mo-moment
Just relax and sit right back enjoy the ride
In a mo-mo-mo-mo-moment
