

# Paper Chains

## Cast

Been a lot of days,  
Been a lot of nights,  
Been a lot of times in my life.  
Been a lot of tears that I've cried.  
Been a lot of times that I just had to keep them all locked inside. Been a lot of friends,  
Friends I have lost,  
For reasons now I've forgot.  
Been a lot of people that I've known.  
But maybe looking back I realised that we weren't all that close. And the love you made,  
Held by paper chains,  
Broken by the weight of our two hearts.  
And these paper chains;  
Is now all that remains.  
Just hanging by a thread torn apart.  
If I was wrong,  
If I was right,  
It's easy said with hindsight.  
Something I never thought in my life  
I never judge the man unless I've seen the world through his eyes. Some things I've done,  
Some things I've said,  
Some mistakes, some regrets.  
You can't live your life in the past.  
So try your best to carry on because there's no turning back. And the love you made,  
Held by paper chains,  
Broken by the weight of our two hearts.  
And these paper chains;  
Is now all that remains.  
Just hanging by a thread torn apart.  
And the love you made,  
Held by paper chains,  
Broken by the weight of our two hearts. There's always something you can do.  
There's always something there for you.  
And if there's one thing that I can do for you.  
And if there's one thing left to do. And if there's one thing I can do for you. What ya gonna do now?  
And if there's one thing I can do. Tell me what it is? Alright.  
There's always something there for you. Something there for you.  
There's always something there for you. Tell me what it is? Tell me what it is now? And if there's one thing that  
you can do for me. Do for me. Yeah.  
There's always one thing you can do.

And if there's one thing left to do.  
There's always one thing you can do.
