

# Wouldn't It Be Cool

Chely Wright

Wouldn't it be cool if all the supermodels tried to look like me?  
And wouldn't it be cool if someone's character?  
Was something you could see  
Wouldn't it be cool if I could fly?  
Get a new perspective from the sky  
Ooo, wouldn't it be cool Wouldn't it be cool if I could do long division in my head?  
Wouldn't it be cool if I didn't have to edit what I said?  
Wouldn't it be cool if life was fair?  
When someone says, "I love you", they will always be there If one day you beg and plead for me to take you  
back  
I would be so unaffected, I would simply laugh and laugh  
Wouldn't it be cool, cool? Wouldn't it be cool if I could catch you at a restaurant with her  
And wouldn't it be cool if I was strong enough to muster up the nerve  
To tell her all the secrets that we had  
Just to see you squirm and feel as bad as I do  
Wouldn't it be cool?
