

The Negotiation Limerick File

Beastie Boys

If you're wonderin' what's been goin' on
If you think I've almost lost my mindMy DJ's got the cuts and the beats are on
We're comin' with the limericks and we're comin' strong
And the rhythm's on time to every word and rhyme
When it comes to keep it real, I keep it really wrongAt the risk of soundin' crass I would like to mention
That I am well aware of your wack intentions
To usurp my prose you so and so
It's my primary bone of contentionI tell you everybody I've had it
With all these people with static
I'll go insane, if it don't rain
Sucker MC's are problematicI love it when you hit those switches
A curve ball's what my pitch is
So here we here we come
Like dum ditty dum
I keep all five boroughs in stitches
You're right manThe sound, sounds sweeter through the echolex
It'll spin you around and throw you in a hex
Until you feel no pain inside your brain
All your worries are soothed by the sound effectsYou, read it in the Post and the Daily News
Listen everybody let's show improve
Don't let me begin about heroin
Livin' six feet deep just ain't the moveWe're givin' you soul power
I like it sweet and sour
When it comes to rhymes and beat designs
I'm at the control towerTell me what makes you so afraid
Of all these people you say you hate
Just give it one time for your mind
And let's try to negotiate
Let's try to negotiate
Let's try to negotiateIf you're wonderin' what's been goin' on
If you think I've almost lost my mind
That you think I've almost lost my mind
