

# November Rain

## Zoom Karaoke

When I look into your eyes I can see a love restrained  
But darlin' when I hold you, don't you know I feel the same? yeah  
Nothin' lasts forever and we both know hearts can change  
And it's hard to hold a candle in the cold November rain  
We've been through this such a long long time  
Just tryin' to kill the pain, ooh yeah  
But lovers always come and lovers always go  
An' no one's really sure who's lettin' go today, walking away  
And if we take the time to lay it on the line  
I could rest my head just knowin' that you were mine, all mine  
So if you want to love me then darlin' don't refrain  
Or I'll just end up walkin' in the cold November rain  
Do you need some time on your own?  
Do you need some time all alone?  
Everybody needs some time on their own  
Don't you know you need some time all alone?  
I know it's hard to keep an open heart  
When even friends seem out to harm you  
But if you could heal the broken heart  
Wouldn't time be out to charm you?  
Sometimes I need some time on my own  
Sometimes I need some time all alone  
Everybody needs some time on their own  
Don't you know you need some time all alone  
And when your fears subside and shadows still remain, oh yeah  
I know that you can love me when there's no one left to blame  
So never mind the darkness we still can find a way  
Nothin' lasts forever even cold November rain  
Don't you think that you need somebody?  
Don't you think that you need someone?  
Everybody needs somebody  
You're not the only one, you're not the only one  
Don't you think that you need somebody?  
Don't you think that you need someone?  
Everybody needs somebody  
You're not the only one, you're not the only one  
Don't ya think that you need somebody?  
Don't ya think that you need someone?  
Everybody needs somebody  
You're not the only one, you're not the only one  
Don't ya think that you need somebody?  
Don't ya think that you need someone?  
Everybody needs somebody
