Make Me Feel

Mltr (michael Learns To Rock)

Yeah, oh you make me feel
You make me feel good inside
You look into my eyesI always try to hide my tears
But you always see my cries, you always see my cries
Just one kiss on my lips
And this love I know this is definitely it, oh, this is definitely itYou make me feel like I need
To be lovin' you, holdin' you, feelin' you next to me
You make me feel so secure
Your love is so pureIt makes me feel like I need more
You make me feel so safe
I couldn't ever let no one come and take your place
You make me feel, you make feelSunshine, you're finally shining over me
Unconditional love I finally see
See a world with a whole new place
I see his love and it's written all over his face
This has got to be real 'cause you make me feelYou make me feel like I need
To be lovin' you, holdin' you, feelin' you next to me
You make me feel so secure
Your love is so pureIt makes me feel like I need more
You make me feel so safe
I couldn't ever let no one come and take your place
You make me feel, you make me feelSometimes I sit and I think about
What my life would be with you without
Without love and affection
Without you my life has no directionDirection to stay on my feet
Without your love my life has no meaning
If you were gone, I'd be so aloneYou make me feel like I need
To be lovin' you, holdin' you, feelin' you next to me
You make me feel so secure
Your love is so pureIt makes me feel like I need more
You make me feel so safe
I couldn't ever let no one come and take your place
You make me feel, you make me feelYou make me, you make me feel
You make me feel so good, so good
Make me
