

# Who Do You Love

## Audio Adrenaline

Who do you, who do you love, love, love?  
Do you love me?  
Where do you, where do you hide your heart?  
Do you hide it with me? Love, love love that's what the world  
And the people are in search of lovey dovey turtle dovey  
Everybody's looking for that warm fuzzy more, more galore  
A homemade king but you still want more  
Loot to boot you living large and life's a hoot Who do you, who do you love love love?  
Do you love me?  
Where do you, where do you hide your heart?  
Do you hide it with me? Love, love, love, love God far above  
You love yourself, your car, your girl, your job  
Your friends, your house, your world, your life, life livin'  
The only true life is the act of giving yourself  
In true devotion, much, much more than a romantic notion Do do do you love me?  
Yeah love love love me do ya  
Who do you who do you love love love?  
Do you love me? Do do do  
Love me, love me  
Do do do  
Love me Who you gonna give your heart to  
To the glory or to the flame?  
Who you gonna praise forever  
Wordly treasures or Jesus' name? Who do you, who do you love love love?  
Do you love me?  
And where do you, where do you hide your heart?  
Do you hide it with me? Do do do you love me?  
Love love love me do ya  
Who do you, who do you love love love?  
Do you love me? Who do you, who do you love love love?  
Do you love me? Do you love me?  
Do you love me? Do you love me?  
Do you love me? Do you love me?  
Love me, love me
