Funky Dope Lovin'

Keith Sweat

I flex funky, funky dope love
Yeah, funky dope love
I flex funky, funky dope love
Yeah, funky dope love
I flex funky, funky dope love
Yeah, funky dope love
I flex funky, funky dope love
Yeah, funky dope love
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
Can I be alone with ya baby for a minute
Gotta get my flex on
'Cause shorty, it's you I can do
Lemme break you off wicked love, baby
Listen here, baby
I don't have to try and come so easy, baby
So sit back and relax and let me put ya down now
See now that you know my way
Girl set it off for me
The fact is my back is strong
Let me show you, let me show you, baby
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
Sing it Aaron
Now that you're here
I just wanna nick nack on your love
You would know the deal
Just how funky dope can feel
I just wanna love you down
Drop them clothes, so we can bounce
Girl, you body's mine for the stickin'
Let's do it now, right now
See now that you know my ways
Ooh, set it out for me
You know my back is strong

Let me show you my lovin', baby
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
I flex funky dope lovin' and it don't quit
I flex funky dope lovin'
Don't ya want the funky?
Don't ya want the funk?
Don't ya want the funky dope love, baby?
Don't ya want the funky?
Don't ya want the funk?
Don't ya want the funky dope love? It's you
Don't ya want the funky?
Don't ya want the funk?
Don't ya want the funky dope love, baby?
Don't ya want the funky?
Don't ya want the funk?
Don't ya want the funky dope love? It's you
I flex funky dope love
I flex funky dope love, yeah yeah
I flex funky dope love
I flex funky dope love, yeah yeah
I flex funky dope love
