

When The Dying Calls

Danzig

out
of the night comes
a timeless thing
calm
in simplicity
soft
a seductive voice
meant for the human ear
down
down
down
i'm gonna take you
down
that's when the dying calls if i look
in the dark of the world
if i lose
i don't mind
that's is when the dying calls down
thru the ages
from the dawn of time
roam
thru the world of dreams
up
from the the black
of the mississippi mud
calling
out to everything
down
down
down
i'm gonna bring you
down
that's when the dying calls if i play
in the dark of the world
if i lose
i don't mind
that's when the dying calls
