

I Can Only Imagine (feat. Chris Brown & Lil Wayne)

David Guetta

Where you been?
Where you been all my life?
It's a sin
The way you look in that light
It's obvious
That I want something from you
You know what
What I want to do, do, do...

If we touched, it would bring me to life
I can only imagine, only imagine what it'd be like
Oh, everytime, it would bring me to life
I can only imagine, only imagine what it'd be like
What it'd be like, what it'd be like
Like, like, like
What it'd be like
Like, like, like...

Saw you from afar
Thought I'd say "what's up"
You can tell me your name when we're waking up
They call me Tunechi, I'm good, I'm Gucci
Now you can kiss old dude goodbye, smooches
You're a piece, you're a beauty
Man, I think somebody done gave cupid an uzi, shoot me
You're a firework, brighter in the dark
So let's turn off the lights
And give me that spark...

If we touched, it would bring me to life
I can only imagine, only imagine what it'd be like
Oh, everytime, it would bring me to life
I can only imagine, only imagine what it'd be like
What it'd be like, what it'd be like
Like, like, like
What it'd be like
Like, like, like...

I want to let her touch me
Want her to feel free (You bring me to life)

I want to feel free
So I can finally breathe (if you kiss me)
So I can finally be (yeah)
So I can finally see (kiss me now)
So I can finally see what, what, what...

Saw you from afar
Thought I'd say "what's up"
You can tell me your name when we're waking up
They call me Tunechi, I'm good, I'm Gucci
Now you can kiss old dude goodbye, smooches
You're a piece, you're a beauty
Man, I think somebody done gave cupid an uzi, shoot me
You're a firework, brighter in the dark
So let's turn off the lights
And give me that spark...

What it'd be like...
