Fool for Your Loving

Whitesnake

Yeah, yeah, mmm

I was born under a bad sign

Left out in the cold

I'm a lonely man who knows

Just what it means to lose controlBut I took all the heartache

And turned it to shame

Now I'm moving moving on

And I ain't taking the blameDon't come running to me

I know I've done all I can

A hard loving woman like you

Just makes a hard loving manSo I can say it to you babe

I'll be a fool for your loving no more

A fool for your loving no more

I'm so tired of trying I always end up crying

Fool for your loving no more

I'll be a fool for your loving no moreI'm tired of hiding my feelings

You left me lonely too long

I gave my heart and you tore it apart

Oh baby you done me wrongDon't come running to me

I know I've done all I can

A hard loving woman like you

Just makes a hard loving manSo I can say it to you babe

I'll be a fool for your loving no more

A fool for your loving no more

I'm so tired of trying I always end up crying

Fool for your loving no more

I'll be a fool for your loving no moreI'll be a fool for your loving no more no more no moreSo I can say it to you babe

I'll be a fool for your loving no more

A fool for your loving no more

I'm so tired of trying I always end up crying

Fool for your loving no more

A fool for your loving no moreNo more, no more

Fool for your loving no more
