

# All That I Bleed

## Savatage

Someone got themselves a letter  
In the mail the other day  
It's already worn and tattered  
And I guess it gives away All the things we keep inside  
All the things that really matter  
The face puts on it's best disguise  
And all is well until the heart betrays She knows as she reads her letter  
That things were bound to stray  
Winds blow, she pulls her coat tighter  
And the letter flies away With all the things she keeps inside  
All the things that really matter  
The face puts on it's best disguise  
And all is well until the heart betrays Lord bring on the night, wrap it all around me  
Let it hold me tight, soak up all that I bleed  
Lord bring on the night, wrap it all around me  
Let it hold me tight, soak up all that I bleed And I'll fly away, yeah, I'll fly away  
Lord, I'll fly away, watch me, yeah yeah Lord bring on the night, wrap it all around me  
Let it hold me tight, soak up all that I bleed  
I bleed
