

Lonely (Plastik Funk's Dirty House Remix)

Medina

I can never forget
The way you held your arms around me
I guess I have to admit
I was afraid to end up lonely Can't imagine life without you
Cause I don't wanna have another lover
Yes I adore you
But I won't be coming back Did it make you feel good to see me hurt
To see me hurting
Happy to see you broke me first
Hey baby do you believe
You gave me what you thought I deserve
Do you believe you conquered what Are you lonely
I hope you're feeling lonely
Baby are you lonely
I hope you're feeling lonely How could you forget
I was the one you kept on blaming
You said I made you upset
It wasn't true what you were claiming And there will be no regrets
This time I think I leave you hanging
No there is no longer you and I you and I
Cause you later ground stranded
So tell me baby Did it make you feel good to see me hurt
To see me hurting
Happy to see you broke me first
Hey baby do you believe
You gave me what you thought I deserve
Do you believe you conquered what Are you lonely
I hope you're feeling lonely
Baby are you lonely
I hope you're feeling lonely Hey, for leaving me
Leaving me
For leaving me
Leaving me Lea, Lea, Lea, Leaving me
Lea, Lea, Lea, Leaving me
Lea, Lea, Lea, Leaving me
Lea, Lea, Lea, Leaving me Are you lonely
I hope you're feeling lonely
Baby are you lonely
I hope you're feeling lonely Are you lonely

So tell me
Baby are you lonely
Baby are you lonelySo tell me
Baby are you lonely
Baby are you lonelyFor leaving me
