

One Pure Thought (Supermayer Remix)

Hot Chip

What is it, I don't remember
Made my being so much better
If I can have just one pure thoughtWhat is it, I don't remember
Made my being so much better
If I can have just one pure thoughtI won't be on my way
I won't be on my way
(There is no other way out)
I won't be on my way
I'll help you on your wayI won't be on my way
I won't be on my way
(There is no other way out)
I won't be on my way
There's nothing more to saySo far, as you've seen
We've been the hardest team
To bear arms since Arnold Rogers was an island tree
And although the macarena has entirely been
I believe you will appreciate the rest of this dreamI got some lost damn feeling
Like I'm feeling in threat
I was the child in the forest
With the bones and the bread
I was a train at the point
Where the rail-road ends
Trying to roll across sound
On your steam in my handsIt was a trip that wouldn't wanna take again
It is a trip that I thought would never end
It was a trip that wouldn't wanna take again
It is a trip that I thought would never endWhat is it, I don't remember
Made my being so much better
If I can have just one pure thoughtWhat is it, I don't remember
Made my being so much better
If I can have just one pure thoughtWhat is it, I don't remember
Made my feeling so much better
If I can have just one pure thoughtI won't be on my way
I won't be on my way
I won't be on my way
I won't be on my wayI won't be on my way
I won't be on my way
I won't be on my way
I'll help you on your wayI won't be on my way

I won't be on my way
I'll help you on my way
There is nothing more to say
