Perfectly Worthless

Syleena Johnson

I know this ainâ€™t what I deserve
Wish I wouldâ€™ve known back then
How bad this would hurt
Seems when you got what you wanted
You took it for granted
I gave you love
I put you first
Gave you my heart
But you didnâ€™t know its worth

I though we were strong
Guess I was wrong
Now Iâ€™m here standing alone

And since you said weâ€™re through
I'll play the fool
Broke all the rules while loving you
Tell me this ainâ€™t true
'Cause Iâ€™m blaming you
For acting like our shit was perfect
Now I know itâ€™s perfectly worthless

As much as I want to deny
I hate our fairy tale love had to end
It was all a lie
But I swear, I never really knew you
Never wouldâ€™ve taken you for a coward
A pillow full of tears left in disgrace
All my time in years, you canâ€™t replace

And I though we were strong
Guess I was wrong
Now Iâ€™m here standing alone

Weâ€™re through
And I'll play the fool
Broke all the rules while loving you
Tell me this ainâ€™t true
'Cause Iâ€™m blaming you
For acting like our shit was perfect

Now I know itâ€™s perfectly worthless

And now the only thing to do
Is pick up these pieces
Nothing left to prove
'Cause I know Iâ€™m a treasure
Iâ€™m royal, Iâ€™m precious
I just let down you these walls
Since I just wasnâ€™t for you

Weâ€™re through
Since thatâ€™s what you said
I'll play the fool
Tell me this ainâ€™t true
'Cause Iâ€™m blaming you
For acting like our shit was perfect
Now I know
I know itâ€™s perfectly worthless
