Dumb Love

Red Wanting Blue

Hey! You've got me crushed
So you say that you love me?
Well then...
Show me with your arms
How much?
But don't touch...
You smother like no other
And it takes time to win my trust
You're too much.
Cupid might be stupid
If he paired the two of us up
We're dumb love...
But I'll be waiting
"You" and "I" and "Love"
Are words we never
Ever seem to use
Enough of togetherHey! It's got me down
That Queens need Kings
And you only look at me
Like a clown
Slow down...
I can't keep up with the way
You're running around
Head in the clouds...
Feeling like I'm floating
'Til you knock my heart
To the ground
I'm dumb found...
But I'll be waiting
"You" and "I" and "Love"
Are words we never
Ever seem to use
Enough of togetherWe can do this...
Go prove them all wrong
It doesn't take a genius...
To know that we belongIt's true. I love you
I don't care what you say
It's just the way I feel about you
I love you...

And I'll be waiting
For you
