

# Hit The Road To Dreamland

**Jane Monheit**

Bye bye baby time to hit the road to dreamland  
You're my baby dig you in the land of nod  
Hold tight baby we'll be swinging up in dreamland  
All night baby where the little cherubs trot

Look at that knocked out moon  
You been a-blowing his top in the blue  
Never saw the likes of you  
What an angel

Bye bye baby time to hit the road to dreamland  
Don't cry baby it was divine but the rooster has finally crowed  
Time to hit the road
