Faster Babe

2am Club

You wanna feel that high
You wanna break that glass
You wanna push that gas
Grab that wheel, yes, roll that die
You wanna feel that push
You wanna cross that side
You wanna hit that clutch
Touch that nerve, yes, break that line
Ain't no looking back, my baby
They're on their track to take me
If they wanna fight well, I'll be warring them
But I'm not the one to defend
You don't got to lie
Just keep going faster, babe, faster, babe, why?
Yeah, I'm on your side
Just keep going faster, babe, faster, bye, bye
You wanna feel that rush
You wanna break that law
Highlight that flaw
Pull that stick shift then take off
You wanna make them gasp
You gotta feel what's wrong
Put your gum on the dash
Rear view glance both eyes to the past
Ain't no turning back, my baby
They're on their track to take me
They wanna fight, well, I'll be warring them
But, I'm not the one to defend
You don't got to lie
Just keep going faster, babe, faster, babe, why?
Yeah, I'm on your side
Just keep going faster, babe, faster, bye, bye
Put your tears away
Ain't no fear today
You can drive off toward that summertime sunset
It's what you ain't done yet
Take the keys
Leave the regrets
Write your letters place your bets

I'll be the one who accepts
You don't got to lie
Just keep going faster, babe, faster, babe, why?
Yeah, I'm on your side
Just keep going faster, babe, faster, bye, bye
Don't got to lie
Faster, babe, faster, babe, why?
I'm on your side
You just got to spin a little faster when you drive
