In Motion

Tortured Soul

Downtown Philly went an upstate New York
Went across United States to L.A
Back through Dallas, Texas now on the east coast
Back in Philly where I was raisedOh, oh, in motion
Oh, oh, come join this band
Oh, oh, in motion
Oh, oh, in motionUptown Friday night lookin' for a good time
Action, satisfaction tearin' up the night
Travellin' by an airways makin' some big waves
Wheels are turnin' faster we're on our wayOh, oh, in motion
Oh, oh, come join this band
Oh, oh, in motion
Oh, oh, in motionOh, yeah, yeahYeah, yeah
Oh, oh, in motion
Oh, oh, come join this band
Oh, oh, in motion
Oh, oh, come join this band, yeah, yeahOh, oh, in motion
Oh, oh, come join this band, band, band, yeah
Oh, oh, in motion
Yeah, yeah
In motion, yeah
