

In Motion

Tortured Soul

Downtown Philly went an upstate New York
Went across United States to L.A
Back through Dallas, Texas now on the east coast
Back in Philly where I was raisedOh, oh, in motion
 Oh, oh, come join this band
 Oh, oh, in motion
Oh, oh, in motionUptown Friday night lookin' for a good time
 Action, satisfaction tearin' up the night
 Travellin' by an airways makin' some big waves
Wheels are turnin' faster we're on our wayOh, oh, in motion
 Oh, oh, come join this band
 Oh, oh, in motion
Oh, oh, in motionOh, yeah, yeahYeah, yeah
 Oh, oh, in motion
 Oh, oh, come join this band
 Oh, oh, in motion
Oh, oh, come join this band, yeah, yeahOh, oh, in motion
 Oh, oh, come join this band, band, band, yeah
 Oh, oh, in motion
 Yeah, yeah
 In motion, yeah
