Hey baby girl what you doing tonight?

I wanna see what you got in store (hey, hey baby)

You're giving it your all when you're dancing on me

I want to see if you can give me some more (hey, hey baby)

You can be my girl, I can be your man

And we can pump this jam however you want (hey, hey baby)

Pump it from the side, pump it upside down

Or we can pump it from the back and the front (hey, hey baby)[Pitbull]

Oooh baby, baby lalalalala

Oooh baby, baby lalalalala[T-Pain]

Ooh drop it to the floor, make me wanna say hey baby

(Get on whatever you want)

Yeah, you can shake some more, make me wanna say hey baby

(Get on whatever you like)

Ooh you got it, cause you make me wanna say hey baby

(You're the one I want)

Yeah don't stop it, cause you make me wanna say

(I want you tonight)[Pitbull]

I'm a Dade County, self paid, self-made millionaire

I used to play around the world

Now I'm around the world getting paid

Girl problems, no problems

Don't hate the game cause that won't solve it

I want to get with you mami

Now let me see where the Lord split you
