I Need Love

Stealing Beauty

You just a cold blooded killer
But charming personality
Shining like glitter
But it don't really matter
I know, I know
He's a certified player
I know, I know
Got thirty-one flavors
I need a man
I can have all to myself
I don't want to share him with
Nobody else
So you can keep the cars,
credit cards and the crib
No I don't need your money
You can check out how I live
I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't need a sugar daddy
To call me on the telephone
With a chick in the background
Sayin' he ain't coming
I know, I know
What's the use in fighting?
I know, I know
He don't even deny it
What's the point in wasting all of these goods?

I promise there'll come a time
when he wished he would
have stuck around
But he's just a sucker now
You remind me of my
E-e-e-e-ex
I don't need another

E-e-e-e-ex
I'd rather be doing my thing
On my own
With nobody to answer to
Cause I'm grown
I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
[K-Young]I need that real deal
wanna know how it feels
to fall in love
A kind of love that's destined
For me
It's on its way
I won't be worried
So for now I'll just provided
For myself
So forget we ever met
I don't need your help
It's the crazy things you do
The things you do for love
I need love
My heart needs love
But I can't give you a chance
And it's all because
I don't want to be

Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
So I don't need
I don't need, I don't need
I don't want to be
Hurt, hurt, hurt, hurt, hurt
I don't want to be
Hurt, hurt, hurt, hurt, hurt
