

Jesus We Love You

Isabel Davis

1st verse:

All things have passed away
Your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead
Breathing in life again
You caused your son to shine on darkest nights
For all that you've done we will pour out
Our love this will be our anthem song

2nd verse:

The hopeless have found their hope
The orphans have found a home
All that was lost has found its place in you
Ohhhh
You lift our weary hands
You make us strong instead
You took these rags and made us beautiful
For all that you've done we will pour out
Our love this will be our anthem song
Jesus we love
Oh, how we love you
You are the one our hearts adore
Our affection
Our devotion
Poured out on the feet of Jesus
