I Walk With You

Saga

It's days like these
That resurrect all the memories
I wonder what I'd say if you were here today
When I think of you
Mixed emotions cloud my view
Would you be proud or have I let you down
I don't look back in anger
I look back in awe
'Cause every time I stumbled
You never let me fall
I don't believe in miracles
I don't believe wishes come true
But I do believe I still believe in you
I don't believe in fairy tales
Or the man in the moon
But I do believe each day I walk with you
My thoughts of you
Will keep me awake tonight
But if sleep
I dream in black & white
I don't look back in anger
I look back in awe
'Cause every time I stumbled
you never let me fall
I don't believe in miracles
I don't believe wishes come true
But I do believe each day I walk with you
I don't believe in miracles
I don't believe in wishes come true
But I do believe I still believe in you
I don't believe in fairy tales
Or the man in the moon
But I do believe each day I walk with you
I don't believe in miracles
I don't believe in wishes come true
But I do believe I still believe in you
