More, More, More

Bananarama

Ooh, how do you like your love
Ooh, how do you like your loveBut if you want to know
How I really feel
Just get the cameras rolling
Get the action goingBaby, you know my love
For you is real
Take me where you want to
Then my heart you'll stealMore, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like itOoh, how do you like your love
Ooh, how do you like your loveAnd if you want to know
What it means to me
Just hear the rhythm grooving
Get your body movingBaby, you know my love
For you is true
Any time you want to
Do what you gotta doMore, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like your loveMore, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like it
More, more, more
How do you like it, how do you like itBaby, you know my love
For you is real
Take me where you want to
Then my heart you steal[Unverified]
