

Cougar

BS (A. Whiteman)

Old bitches get up! You're kinda hot - You're old as fuck... You're a cougar! Cougar!
You got the tan - Drive a benz... You're a cougar! Cougar!
Screw all night - You're in your prime... You're a cougar! Cougar!
Cook me food - Pay all my bills... You're a cougar! Cougar! Old bitches holla back - Sip your 'tini, and bob the head...
Buy me a shot, then a scotch... Whisper in my ear... Get me hot
Invite me inside the den - strip me down - Get inside in the bed, force my head downtown
You're on the prowl year-round, lookin' for some cubs to mother around
Ain't into the bullshit, don't fuck with thugs... Just like to sip wine, and love to fuck
Live off your ex, or that CFO title... Make me shoot all night... Like a rifle... Make me breakfast - In the morning... Damn I love you're always so horny...
Ain't no milf - You said eff the kids, never play them games, just get down to biz... You're kinda hot - You're old as fuck... You're a cougar! Cougar!
You got the tan - Drive a benz... You're a cougar! Cougar!
Screw all night - You're in your prime... You're a cougar! Cougar!
Cook me food - Pay all my bills... You're a cougar! Cougar!
Used to be kitten, but that shit didn't fly... Always messed around with some douch-ey guy
Focused on your job, got a few raises, you beat the game, and all the secret stages
Now all your friends are married, another half divorced - most of 'em got kids, and you're the whore
You love to jump in fast - Cause your clock jus' ticks... You the cougar mover, do months in weeks
Don't care if I'm broke, you'll support my ass... Don't even ask me to clean, cause you love doin' that...
Got that sweet aged nector, yo' pussy juice... Rock the night on the prowl - 'Cause that lynx is loose! Make me breakfast - In the morning... Damn I love you're always so horny...
Ain't no milf - You said eff the kids, never play them games, just get down to biz... You're kinda hot - You're old as fuck... You're a cougar! Cougar!
You got the tan - Drive a benz... You're a cougar! Cougar!
Screw all night - You're in your prime... You're a cougar! Cougar!
Cook me food - Pay all my bills... You're a cougar! Cougar! Pimp that suit, ann taylor power pants - With yo' padded bra, show off those cans!
Travel in yo' pack - When you out in the wild... Cougar Coalition, single ladies on the dial...
See me, tease me, seduction on the floor - Sendin' eyes my way... leavin me wantin more...
Ask about my life, like you give a shit... It's like you're the hustler, you're the pimp...
Huntin' for prey is all you know - Anything goes with your libido...
you ain't used - But experienced... I don't give a fuck, as long as you ride this dick! You're kinda hot - You're old as fuck... You're a cougar! Cougar!
You got the tan - Drive a benz... You're a cougar! Cougar!
Screw all night - You're in your prime... You're a cougar! Cougar!
Cook me food - Pay all my bills... You're a cougar! Cougar! Huntin' for prey is all you know - Anything goes with your libido...

Huntin' for prey is all you know - Anything goes with your libido...
Huntin' for prey is all you know - Anything goes with your libido...
