## **Beautiful Loser**

## **Bob Seger**

He wants to dream like a young man With the wisdom of an old man He wants his home and security He wants to live like a sailor at sea Beautiful loser Where you gonna fall? When you realize You just can't have it all He's your oldest and your best friend If you need him, he'll be there again He's always willing to be second-best A perfect lodger, a perfect guest Beautiful loser Read it on the wall And realize You just can't have it all

You just can't have it all
you just can't have it all
ohh, ohh, can't have it all
you can try, you can try, but you can't have it all
oh yeah

He'll never make any enemies, enemies, no He won't complain if he's caught in a freeze He'll always ask, he'll always say please

Beautiful loser
Never take it all
'Cause it's easier
And faster when you fall
You just don't need it all
You just don't need it all
You just don't need it all
Just don't need it all
