

# High Five

## Young Dro

High five, high five, high five  
High five, high five When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five Dro, it's good to be back I been gone nigga  
It's been long nigga, I been strong nigga  
I been in Bankhead Co and Herner Homes nigga  
I been wit niggaz from Simpson to Culver homes Westside nigga, y'all niggaz betta mount up  
Big rim Jolly Rancher cars y'all mount up  
Do my damn dance work my legs pop my hands  
Like do it nigga, do it nigga Young money yep I want a blockhead ho  
The block said, "Dro you need to drop" well here it go  
Let's go hey, gone, gone  
Man, I'm in the hood like a Nextel phone When the work come chirp then purp come chirp  
Then prototype Chevy it's a James Bond 'vert  
All we do is work and holla, "Fuck'em"  
Westside man we gon' buss'em When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five My Chevy paint flippin' on my rims got that indiglow  
When it get dark rim glowin' like my wrist glow  
F-650 pro my rims look like 64s  
Sit taller than everybody I'm up there with the red lights Slick Dro, it's me chicken money KFC  
Crispy dark meat the carbon come in all heat  
You know how the mob be they got me eatin' shark meat  
Order me a snail plate I think I want some frog meat Triple thick chinchilla take the skin off the lizard  
Put it on the Benz interior, imperial  
I'm bustin' and I'm furious I'm scratchin' off the stereo  
Knock him off tonight and in the morning let his children know Bitches get flip-flopped I feed 'em all Cheerios  
Shine on them 24's I know how to get a ho  
Big bank wet paint Jackie Chan stereo  
Money hungry Dro eatin' paper like a billy goat When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five

You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five  
When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five  
High five, westside Bank head prolly clean on me  
Four 15's so you know my trunk really beat  
Screens start flippin' when they flip here the DVD  
Ridin' down Simpson me and T.I. watchin' 'Lean on Me'  
Carbon 16 on me 30 carat ring on me  
Dro be on BET and plus he fuck wit Sheila E  
Beamer Z car in the hospital the 'vert V  
Cut the top off the Jag, open brain surgery  
Box on the Bourbon seats they know me out in Germany  
Frog green Kermit Jeep 23's my rims be  
Plus I be on Mimm street, Kimberly remember me  
Tell them haters get on they job I need energy  
Leleee gangsta grill wit me Trineshia spent a mill wit me  
Ralph I got a bunch like middle school feelin' me?  
Baby mama Dolce Gabana ask Tiereney  
Dark on black buttons I'm ridin' on nothin's  
When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five  
When you in the club and you see me, high five  
You know I'm just a thug when you see me, high five  
You know I'm that fresh man I keep the shit live  
When you see a playa what you give him high five
