

(Turn Out the Light And) Love Me Tonight

Don Williams

I've been lonesome, I've been empty

I got an achin' way down inside I need someone, someone to hold me

Pull down the shade, turn out the light and love me tonight Don't think about tomorrow, it don't matter any more

We can turn the key and lock the world outside the door I need you, so now, come on let go now

Kick off your shoes, turn out the light and love me tonight Now don't you worry, we're all alone now

Let your hair down, sit by my side Turn off the TV, put on some music

Pull down the shade, turn out the light and love me tonight Don't think about tomorrow, it don't matter any more

We can turn the key and lock the world outside the door I need you, so now, come on let go now

Kick off your shoes, turn out the light and love me tonight
