

# The Invisible

[G//Z/R](#)

Invisible, the man on the street  
The voice of silence  
You don't want to meet  
The homeless, the poor  
Society's dregs  
The drunk and the junkie  
The woman who begs  
Old and dying are obsolete  
Children crying in the street  
Invisible, victims of hate  
Police and villains  
Wasters of time  
Scapegoats and prodigals  
Social outcasts  
Lost boys and girls, iconoclasts  
Old and dying are obsolete  
Children crying in the street  
Drugs abusing, our memory losing  
Invisible are everywhere
