

Lets Dance

Sweet Tee

Call up all your friends and wear the latest trends
This is your chance to get up and dance
Let's strike up a pose at the disco
In our hot pink stilettos Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey Everybody knows how the beat goes
Tell the DJ to turn up the stereo
Let's play at the rave
This song is like my total fave Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey Hello Kitty hair barrettes and lime green fish nets
We're the highlight of the nightlife
It's disco insanity
Everybody's fantasy
Get up and dance with Scotty Vanity Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Let's Dance, Let's Play, Let's Scream
Hey Hey
Pshyeah
