I Need a Girl

Usher

Yeah
Come on
I need a
I want aI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
I need a girl in my lifeYo, I'm internationally known on the microphone
I got it all, but I really need a wife at home
I don't really like the zone, never spend the night alone
I got a few, you would like to boneBut, chicks don't romance me, don't tickle my fancy
Only Tiffany, Nancy, that's not what my plans be
I need a girl that could stand me, raise me a family
Go to trips at the Lancy, trip to the Grammy's 'causeMost of these girls be confusin' me
I don't know if they really love me or they usin' me
Here's the money, or maybe you ain't used to me
'Cause you was depressed and now you abusin' meThat's why I need me a girl that be true to me
Know 'bout the game, and know how to do to me
Without a girl on my side, shit'll ruin me
Forget the world girl, it's just you and me, now let's rideI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to be my wife
Nobody else 'cuz she's all mine
I need a girl in my lifeYo, yo, I done met a lot of women in my lifetime
But see, it's not a lot of women that got the right mind
An' I done had pretty chicks with all the right features
And hood rat chicks that only rock sneakersCellphones and beepers, and know how to treat ya
You break her heart, she'll walk out and leave ya
I find a girl, I'ma keep her
'Cuz now I'm gettin' money and the game gettin' deeperI want some real shit, I need somebody I can chill with
I need somebody I can build with
I need somebody I can hold tight
With the time and no full limits, no rightAnytime we together would feel so right
You the girl I been lookin' for my whole life
God bless me, I'm glad I got the insight
Because of you girl, now I understand life, I need a girlI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine

I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to be my wife
Nobody else 'cuz she's all mine
I need a girl in my lifeI had a girl that would've died for me
Didn't 'preciate her so I made her cry for me
Every night she had tears in her eyes for me
Quarter K's, shorty took the whole ride for meAt first we were friends then became lovers
You was more than my girl, we was like brothers
All night we would play fight under covers
Now you gone, can't love you like I really wannaBut every time I think about your pretty smile
And how we used to drive the whole city wild
Damn, I wish you would've had my child
A pretty little girl wit Diddy's style, this shit is wildAll dem days that I reminisce
About the way I use to kiss dem pretty lips
But as long as you happy, I'ma tell you this
I love you girl and you're the one that I will always miss
I love you, yeahI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to be my wife
Nobody else 'cuz she's all mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to be my wife
Nobody else 'cuz she's all mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to be my wife
Nobody else 'cuz she's all mine
I need a girl in my lifeI need a girl to ride, ride, ride
I need a girl to make my wife
I need a girl who's mine, oh mine
