Nasty Ho

Neurotic Outsiders

You saved my soul
You made me hard
And put me in your hole
Yeah you
Feel so good
Dick is like a stiff hard piece of wood

Oh, I thought this was free
Don't lay guilt on me
This is larceny

You gotta let it go, let it go
Or let it flow, let it flow
I told you so, told you so
That I got no dough, got no dough
Oh just say no, just say no
Oh let it go, let it go
'cause now I know now I know
That you're so low
You nasty ho

You are insane
To think I'd piss my money down the drain
Yeah you
Think I came
I'm premature ejaculation trained
But you, you don't mean a thing
If my dick don't swing
Make my ding dong ring

You gotta let it go, let it go
Or let it flow, let it flow
I told you so, told you so
That I got no dough, got no dough
Oh just say no, just say no
Oh let it go, let it go
'Cause now I know now I know
That you're so low
You nasty ho

Hey Joe
What d'ya know
You're hangin' low
I love you Joe

Nasty nasty ho
